

### **REMARKS**

Responsive to the Notice of Non-Compliant Amendment dated February 2, 2010, Applicants submit herewith a new listing of the claims in this application. This amendment is intended to correct any alleged errors in the claim listing supplied in the “Amendment in Response to Non-final Office Action” dated October 29, 2009.

Claims 1-4 have been amended to more particularly point out and distinctly claim the subject matter Applicants regard as their invention. Claims 7 and 9-38 has been cancelled without prejudice or disclaimer. Claim 39 is added. Accordingly, upon entry of the amendment claims 1-6, 8, and 39 are pending.

Amendment or cancellation of any claim herein is not to be construed as acquiescence to any of the rejections/objections set forth in the instant Office Action, and was done solely to expedite prosecution of the application. Applicants make these amendments without prejudice to pursuing the original subject matter of this application in this application or a later filed application claiming benefit of the instant application, including without prejudice to any determination of equivalents of the claimed subject matter.

Support for the amendments can be found in the specification and claims as filed. No new matter has been added.

### **Objection to the Drawings**

The objection to the drawings is overcome by the submission herewith of a set of replacement drawings.

### **Objection to the Title**

The objection to the title is overcome by the present amendment.

**CONCLUSION**

The Director is hereby authorized to charge or credit any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 04-1105, under Order No. 61383(71699).

In view of the above amendments, applicant believes the pending application is in condition for allowance.
